

Sinclair  
Broadcasting's  
decision to force  
their stations to  
air an anti-Kerry  
documentary days  
before the election  
is a good example of  
media playing  
partisan politics.  
It is hard to have  
fair and balanced  
news coverage when  
stations are forced  
to be a republican  
mouth piece.

To be fair those  
stations should be  
required to play  
Fahrenheit 9/11 as  
well.

Thank you.
